2 hours, including interval

COMPANY

Nine-person acting ensemble

SUITABLE FOR

Theatres, churches, halls and heritage spaces

VENUE AND PROMOTER ENQUIRIES

robert@dionysus-theatre.co.uk / 07356 210331

One extraordinary night can change everything.

THE PRODUCTION

Scrooge's journey through memory, fear and redemption unfolds with theatrical precision, rich atmosphere and the immediacy of live performance. The production transforms intimate spaces into Dickensian London while retaining the pace and visual impact of a full touring show.

The established ensemble shares multiple roles, creating the people, music and shifting world of the story together.

"A ghost story told close enough to see every flicker of fear, regret and hope."

CREATIVE TEAM

ADAPTED AND DESIGNED BY
Robert Tremayne

ASSOCIATE DIRECTOR
Vicky Newman

LIGHTING DESIGNER
Matthew Pike

VENUE INFORMATION

FORMAT

Adaptable small-scale touring theatre with live music and candlelight atmosphere.

SPACES

Designed for theatres and for atmospheric non-traditional venues including churches, halls and heritage spaces.

AUDIENCE EXPERIENCE

An intimate, ensemble-led retelling with an interval and a full running time of approximately two hours.

TECHNICAL PLANNING

The design is intended to adapt to each host venue. Detailed staging, access, power, lighting, sound, get-in and scheduling requirements are confirmed directly with the venue.

MARKETING

Production artwork, company information and agreed promotional assets are available for presenting venues.
